CITY OF HORSE CAVE RECEIVES SAFETY GRANT FOR SAFETY EQUIPMENT

"We use every opportunity to make our city employees and residents safer," said Mayor Randall Curry referring to the \$931.00 grant that the City of Horse Cave was awarded by the Kentucky League of Cities Insurance Services (KLCIS).

The grant will be used for safety vest, eyewear, hi-visibility caps, traffic cones, and safety shields.

Mayor Curry said that grants such as this are a practical way to make our budget go further as well as provide products that enhance public safety.

KLCIS helps members increase public safety with a number of proactive programs and services. KLCIS provides safety grants to its members annually. As Kentucky's largest municipal insurance program, KLCIS provides a full range of affordable liability, property, workers compensation and other products to municipalities.
